mahathir mohamad s legacy as malaysia s longest serving prime minister 1981 2003 is deeply controversial his engagement with islam the religion of just over half malaysia s population has often been dismissed as partisan maneuvering yet his willingness to countenance a more prominent place for islam in government and society is what distinguished him from other modernist politicians and his instinct to set malaysian politics against the backdrop of the wider muslim world was politically astute author sven schottmann argues that mahathir s transformative effect on malaysia can only be fully appreciated if we also take him seriously as one of the postcolonial muslim world s most significant political thought leaders schottmann sees mahathir s representations of islam as a relatively coherent discourse that can legitimately be described as mahathir s islam this discourse contains mahathir s assessment of the economic political and sociocultural problems facing the contemporary muslim world and the range of solutions and corrective measures that he proposed muslims should adopt his ideas
